Women's Web site holds launch party

The new Web site www.bodibuddie.com is holding a launch event Friday that will also serve as a benefit for the county's Healthy Kids program.

The site aims to create a support network for women and raise funds to make the community healthier.

Organizers ask men to pass Friday's invitation to their "favorite women."

The event, which has a \$10 cover, is 5:30-7:30 p.m. at the Mill Gallery at the Pacific Blue Inn, 131 Front St.
